SATURDAY EVENING, APRIL 19.

**THE WOMAN IN THE CASE.**—At every dinner table in London they are talking about the Czar and his little demi-matrimonial affair, but I am bound to add that I have not yet met with a single individual, royal, noble, or gentle, who has received this story direct from St. Petersburg. As for the Russians in London, they laugh it to scorn—naturally. It runs through the Czar has for long indulged in a romantic conceiving a very charming lady of high birth, higher accomplishments, and the higher attractions. Hence the imperial conscience has been subjected to as many twinges as the imperial toe when an attack of podagra supervenes; but the question was, how to ease the mental pain of the afflicted Czar? On a previous occasion, when an illustrious minister received too much attention from the fascinating fair one, a remedy was sought and found easily—in a word, the too active minister was made an ambassador.

Conscience, however, cannot be sent on an embassy, and therefore the Czar, having consulted with his peeps, hit upon the expedient of going through a religious form—not the marriage service, for that would have involved bigamy, but some sort of emaculated nuptial ritual—which would not make Ancony Mrs. Romanoff yet would comfort the soul of the Czar. How they did it is not told, merely being a prime element in such matters, but it was doubtless all very satisfactory, and Alexander of all the Russias, has now, so the story runs, not one wife, but one and a half.—*Whitehall Rev.*

SATURDAY EVENING, APRIL 19.

**LIVER.** This important organ weighs but about three pounds, and yet it filters the blood in the liver at least once every half hour, to be sent to the lungs and then to the rest of the body. If the liver is diseased, the blood is impure, and the body suffers. The liver is the natural purgative of the bowels, and if the liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Scurvy and Scurvy, and general debility follow. **MILBURN'S LIVER PILLS**, a green vegetable discovery for torpidity, causes the liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown, dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking Hepatic in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the liver can exist if a fair trial is given. Take no pills when you can get Hepatic at the same price. For sale by all Druggists. **PRICE 25c and 50c.**

**LUNGS.** The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all deaths' victims, arises from the Opium or Morphine treatment, which simply stupefies as the work of death goes on. \$10,000 will be paid if Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has cured people who are living to-day with one remaining lung. No greater wrong can be done than to say that Consumption is incurable. **THE GLOBE FLOWER COUGH SYRUP** will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis and all diseases of the throat and lungs. Read the testimonials of the **Dr. Alex. H. Smith** and others in our book, free to all at the drug stores. Take no Troches or Lozenges for Sore Throat, when you can get Globe Flower Syrup at same price. For sale by all Druggists. **PRICE 25c and 50c.**

**BLOOD.** Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Diseases in a thousand is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor **F. M. MILBURN'S STILLINGIA CURE** is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. \$10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it. Price by all Druggists \$1. For sale by **E. S. LEADBEATER & BRO.**
